G60 médium

G61 small

G61 médium

The G60 with its sleek lines, was designed by Pierre Guariche in his usual style in 1959, along side its twin sister, the G61. A light cube stands proudly on its four classy brass feet. These geometric luminaires (available in two sizes) are easy to fit in on a table top, dresser or desk, providing lighting while adding a great contemporary touch to your interior design.
