Design Normal Studio

Vendôme and Monceau suspended light fittings convert your luminaires into part of your interior design. Create a classy and cosy environment with the Vendôme luminaire and its brass louvre, sending out gold-tinted reflections. Create a modern industrial environment with the Monceau model and its coal black chevron louvre. These models diffuse a rather special halo when fitted on the ceiling, suspended or on the walls, either indoors or outdoors.

Specification

Design

Designer Normal Studio

Technical characteristics

Light source 6 E27 lamps, 11W max, not included

Supply voltage 220-240V 50/60Hz

Electrical class Class I

Operating temperature -20°C to +35°C

Easy installation and maintenance

Connection With nickel-coated brass cable gland for cable Ø 5-14 mm
To 3x2.5mm² automatic terminal block

Opening and closing Quick closing with just one screw

Mounting Attachement with 2 bolt-fitted stainless steel straps with variable center distance and 360° orientation
Provided with 2 suspension kits and 3 m of steel wire

Maintenance Patented sliding maintenance system

Materials

Internal grid Aluminium louvre

Housing Ø133 Co-extruded polycarbonate/PMMA for inside/outside use

End caps and fixing straps 304L stainless steel

Standards

Waterproofness IP66, IP68, IP69K

Resistance to IK shocks IK10

Fire resistance 650°C
