Monceau Mini
Design Normal Studio

The Monceau and Vendôme Mini wall lights designed by the Normal Studio team set the stage for both indoor and outdoor areas. The metal lace work houses create a unique luminous environment. Just like jewellery, the Vendôme model diffuses a cosy halo. The Monceau luminaire portrays a coal black chevron louvre to create a timeless industrial style.

Stainless steel cable plate kit (IP40) 17500020 Pre-cabling 1,5m 3G1.5 (3 wires) Braided tinned copper cable CAB0007 E14 LED filament lamp 4W 2700K clear 17500002

Specification

Design	
Designer	Normal Studio
Technical characteristics	
Light source	2 E14 lamps, 11W max, not included
Supply voltage	220-240V 50/60Hz
Electrical class	Class I
Operating temperature	-20°C to +35°C
Easy intallation and maintenance	
Connection	With nickel-coated brass cable gland for cable Ø 5-14 mm To 3x2.5mm² automatic terminal block Installation in vertical position: cable gland positioned downwards
Opening and closing	Quick closing with just one screw
Mounting	Attachement with 2 bolt-fitted stainless steel straps with variable center distance and 360° orientation
Maintenance	Patented sliding maintenance system
Materials	
Internal grid	Aluminium louver
Housing	Ø100 Co-extruded polycarbonate/PMMA for inside/outside use
End caps and fixing straps	304L stainless steel
Standards	
Waterproofness	IP66, IP68, IP69K
Resistance to IK shocks	IK10
Fire resistance	650°C
